Work Experience

Event Photographer @ New Life Gospel Church

August 2019

Freelance

📍 Toronto, ON, CA

- Event photography for Pathfinder Vacation Bible School over the span of 3 weeks.
- Documented the event through both photo and video media.
- Post-processed and uploaded hundreds of photographs daily for social media promotions.
- Photographed high-quality images for both print and internet distribution.
- Created several promotional videos, such as a recap video slideshow every week and a video slideshow promoting the volunteers of the camp.

Teens Conference Digital Media @ AFC Eastern Canada

Sept 2018 - Mar 2019

Volunteer

📍 Richmond Hill, ON, CA

- Collaborated with a small team to product promotional videos for Teens Conference.
- Documented the 4 days of Teens Conference through both photo and video media.
- Post-processed thousands of photos and videos to be use as promotional material for future Teens Conferences.
- Aided in training new members to be proficient in using professional cameras and photo/video editing software.

Hardware Technician @ K12 Solutions

Sept 2017 - Jan 2018

Co-op

📍 Toronto, ON, CA

- Maintained technology equipment by installing, configuring, diagnosing, repairing and upgrading all hardware to ensure optimal performance.
- Assessed, troubleshoot and repaired various machines such as desktops, laptops, and monitors.
- Used diagnostic tools to identify hardware failures and replace non-functional components.
- Removed and replaced malfunctioning components to correct hardware problems.

Summer Camp Counselor @ New Life Gospel Church

August 2015, August 2017

Volunteer

📍 Toronto, ON, CA

- Volunteered as a camp counselor for NewLife Gospel Church's Pathfinder Vacation Bible School.
- Supervised camp activities fostering physical, social and spiritual growth.
- Supported children by actively listening and offering encouragement.
